YCH OVERVIEW

YCH Group's headquartered in Singapore, our DistriParks and supply chain hubs are strategically located in more than 100 key cities across Greater China, India, Malaysia, Thailand, Indonesia, Philippines, Vietnam, Australia and Korea.

- YCH's proprietary suite of award-winning end-to end supply chain management solutions employ cutting edge web technologies that are best-in class across industry clusters from consumer and electronics to chemical and health care, catching up with the growth of Ecommerce.
- YCH is giving existing customers a solution to expand their ambitions of developing Ecommerce in Vietnam under the support of system and technologies.

YCH Vietnam opened in 2009 to tap on the budding ASEAN nation's burgeoning economic activity. The Indochina network and Greater Mekong Sub-region have in recent years, been receiving increased attention for the international business community.

- A joint venture between YCH Group and Protrade Corporation, YCH Protrade DistriPark is located in Binh Duong Province and is one of the most modern warehouses in Vietnam strategically-located behind the Song Than Industrial Park and Vietnam Singapore Industrial Park and just 18km from the Tan Son Nhat International Airport. Hi-tech and eco-friendly, this DistriPark is the first to be LEED-certified (by the US Green Building Council) in Vietnam.
- YCH enters into a joint venture with T&T Group of Vietnam to develop an international logistics center and an inland port in the northern province of Vinh Phuc, SuperPort™ project (Over 90 ha which included Dry Port, Supply Chain City connecting by multi-modal transportation – Rail, Air, Sea & Road)
- With an ever-growing presence in Hanoi, Bac Ninh and Binh Duong, YCH Vietnam is servicing some of the fastest-growing F&B companies and seeks to tap on its extensive freight capabilities to effectively deliver results to our world class clientele seeking to expand in the budding region

Advantages in joining YCH Protrade

- YCH is a Supply Chain Specialist. This will be good for personal development and career growth in the Logistics Industry
- YCH has clients in different Industries eg Health-care and Pharmaceutical, Electronics and FMCG. A good opportunity to learn Supply Chain skills and knowledge across industries
- YCH have a "family" culture and we treat each employee as a member of this extended family
